H.H.H. HIGH SCHOOL WEST!

Born into heated controversy, High School West has undergone many changes in plans concerning its future during the past few years. Throughout this time, we've matured into a complete and active high school.

The days were full of spirit, enthusiasm, and success. Students adjusted well — first to the unique concept of a tenth grade school and then to the challenge of establishing a complete secondary school of our own. Not only did West students excel in personal and scholastic achievement, but also in play and float competitions and in school projects and clubs.

No one can forget our own Mickey Mouse — the star of Homecoming '76 — nor the memorable performances of both *South Pacific* and *Don't Drink the Water*. Also, we have been involved in community affairs as well as scholastic ones.

It was through ambition, hard work, and caring that this school has become the outstanding institution that it is today.

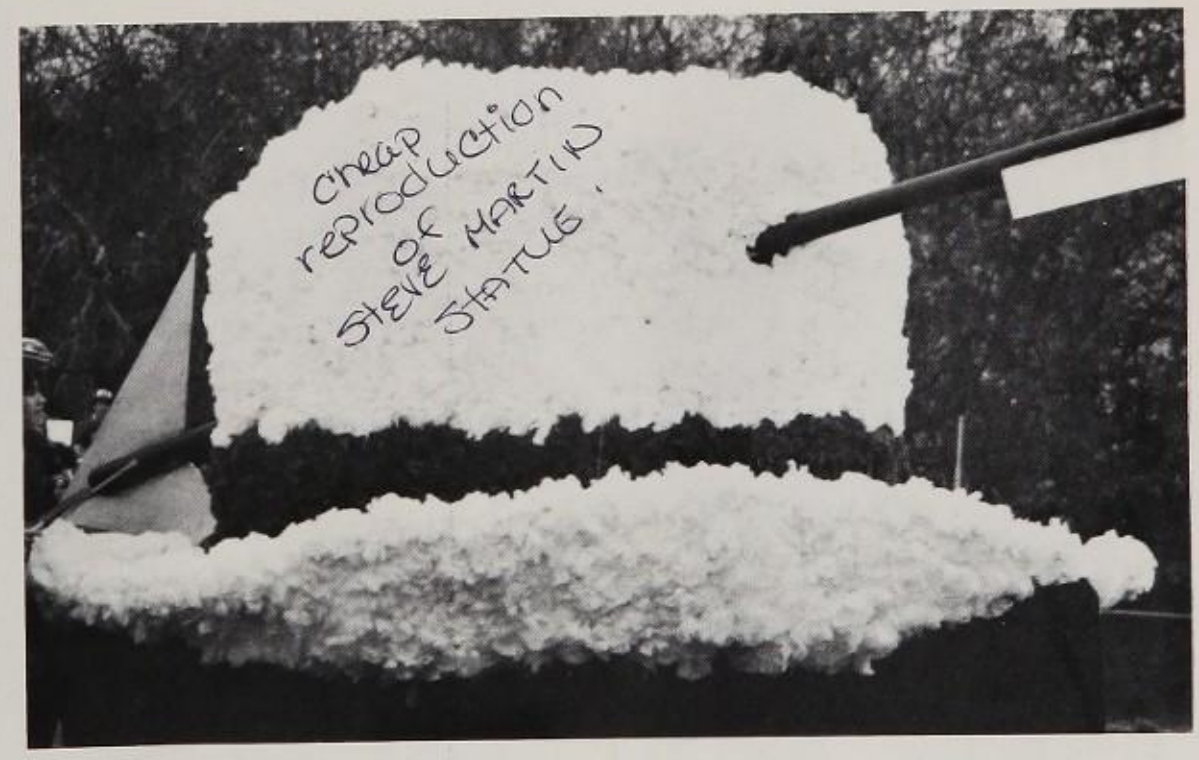
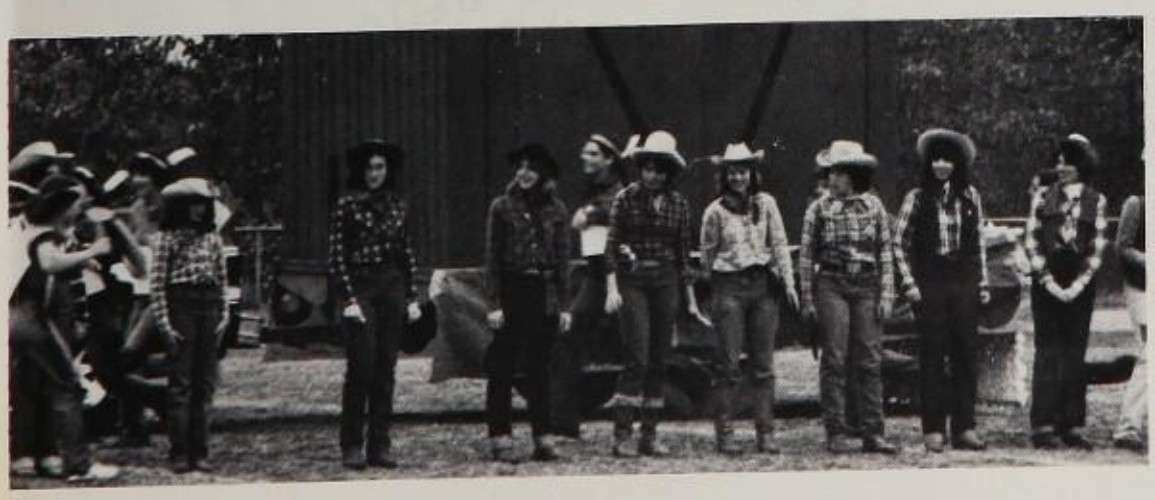
"How the West was won"

The Seniors know how they won West's first Homecoming with their red, white and black flowered "choo-choo" and their humorous skits depicting westward expansion.

The Juniors' larger-than-life Stetson with an Indian arrow shot through it and their spirited presentation added to the festivities.





The Sophomores' float, a wooden fort with a classroom concealed inside, cleverly represented West's strength against the problems we have faced this year.

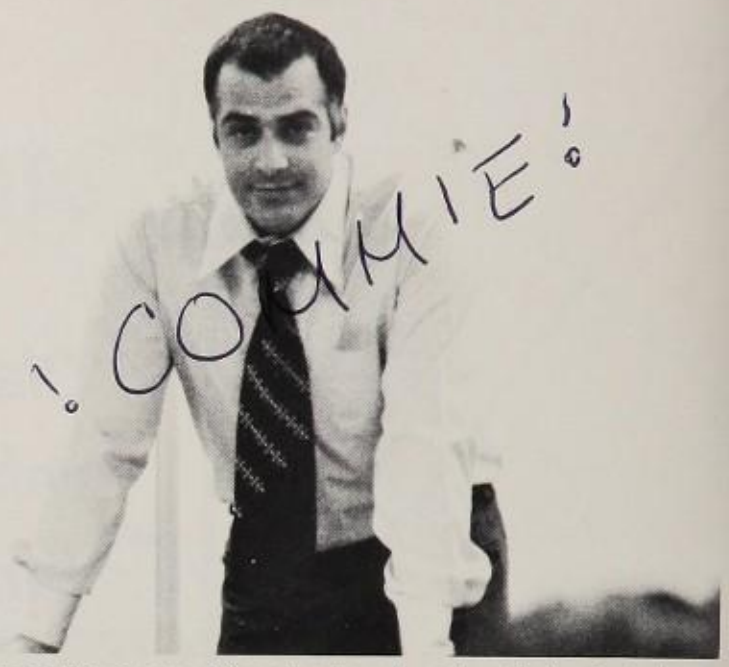
ACADEMICS

Classes, school related events and those unforgettable teachers — these fill the time and occupy the attention of a West High student.

What are your impressions concerning High School West's growth into a full high school?

I see the Seniors, who chose to stay, blaze the trail for underclassmen to find the way; since all have contributed, all can gladly say that West's the best and is here to stay. — Mr. Kowalski

Andrea Field and Liz Pace pant as they count off the laps in the physical fitness test.



In the course of three years I have seen this school evolve into a body of students who are a cut above; it's a pleasure teaching here. — Mr. Pennino

Thank God for the seventeen and eighteen year old students who are setting precedents for the underclassmen. — Mr. Meehan

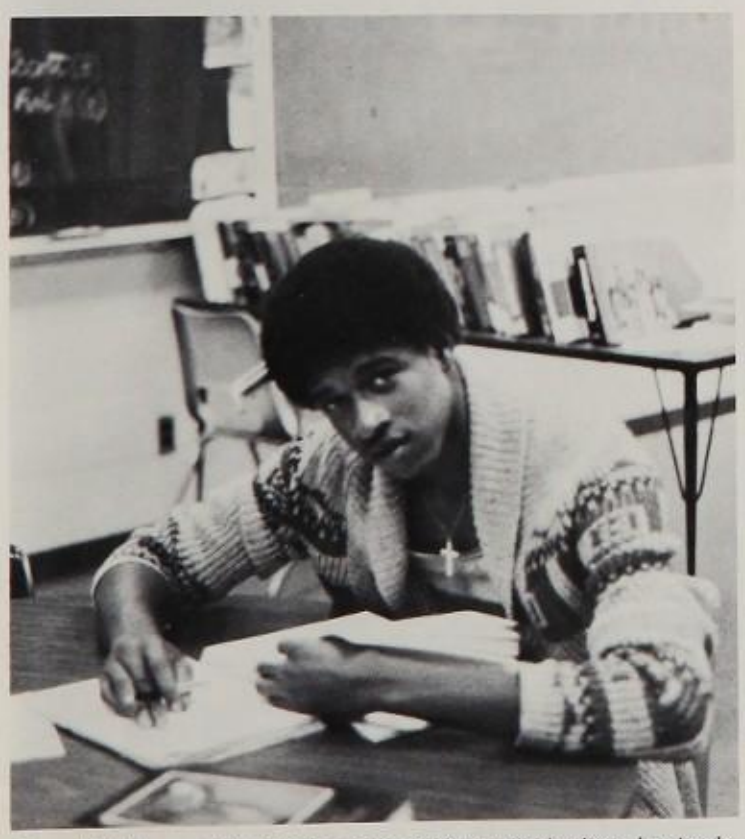
Remember when here all was new . . . new halls, new faces, but now, you know, we think we like it here . . . We love ya, High School West! — Mrs. Ehrlich

Just as fine wine, great art, and good cheese improve with age, so has High School West. — Mrs. Hauptman

During the Sag Harbor Band Trip, Kathe Petralito finds solitude inspirational to her music.

It has been a pleasure to observe the growth of our school into a full-fledged high school and I attribute most of our success to the pride and sense of responsibility of our Senior Class. — Miss Seigneuray

Over the years that I have been at High School West, I have observed traditions emerge. — Miss Stepper

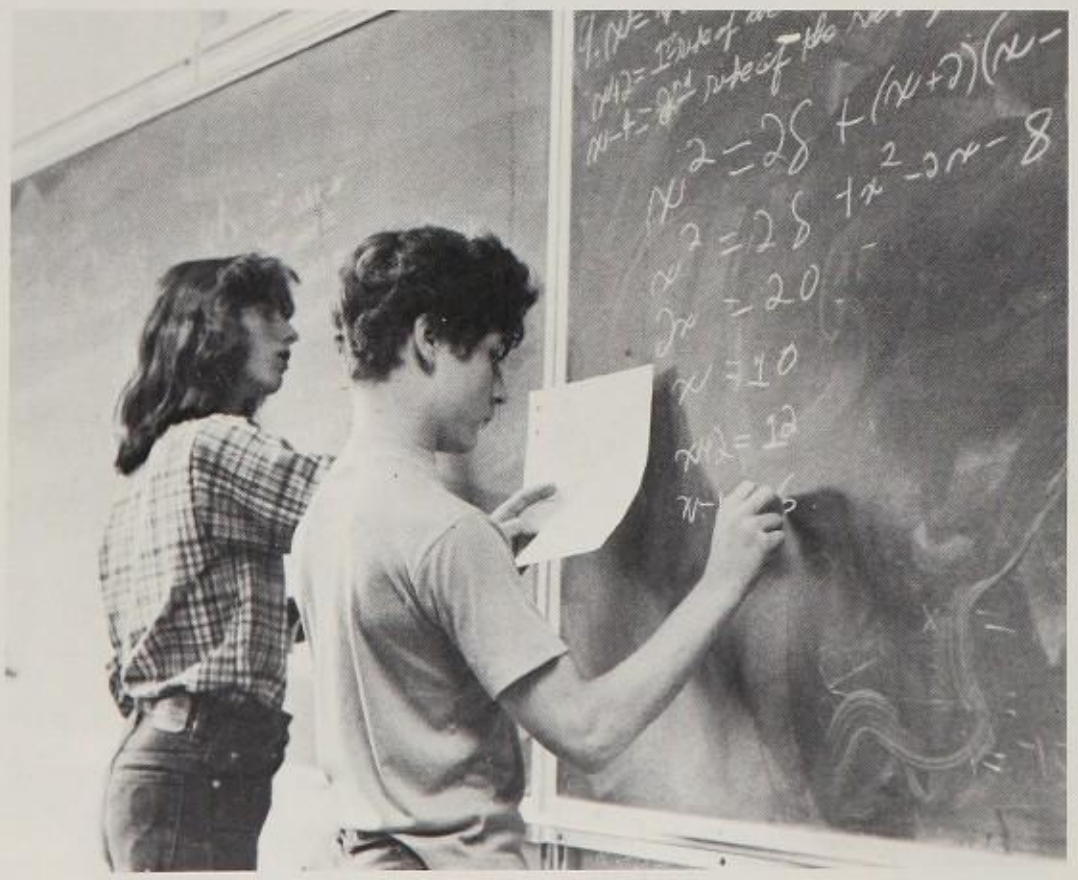


Tony Wells would rather not be interrupted when he tackles his class work.

I feel it is a growth that I always knew would happen and I think it is largely due to our Senior Class who chose to stay in this school. They did so because of their pride in the school and admiration for the faculty. — Mr. Iacona

The "10th grade" school has finally come of age! It has been a pleasure to participate in our growth to a full-fledged Senior high school of which we can be proud. Congratulations to the Class of 1979 which made it all possible. — Mr. Misner

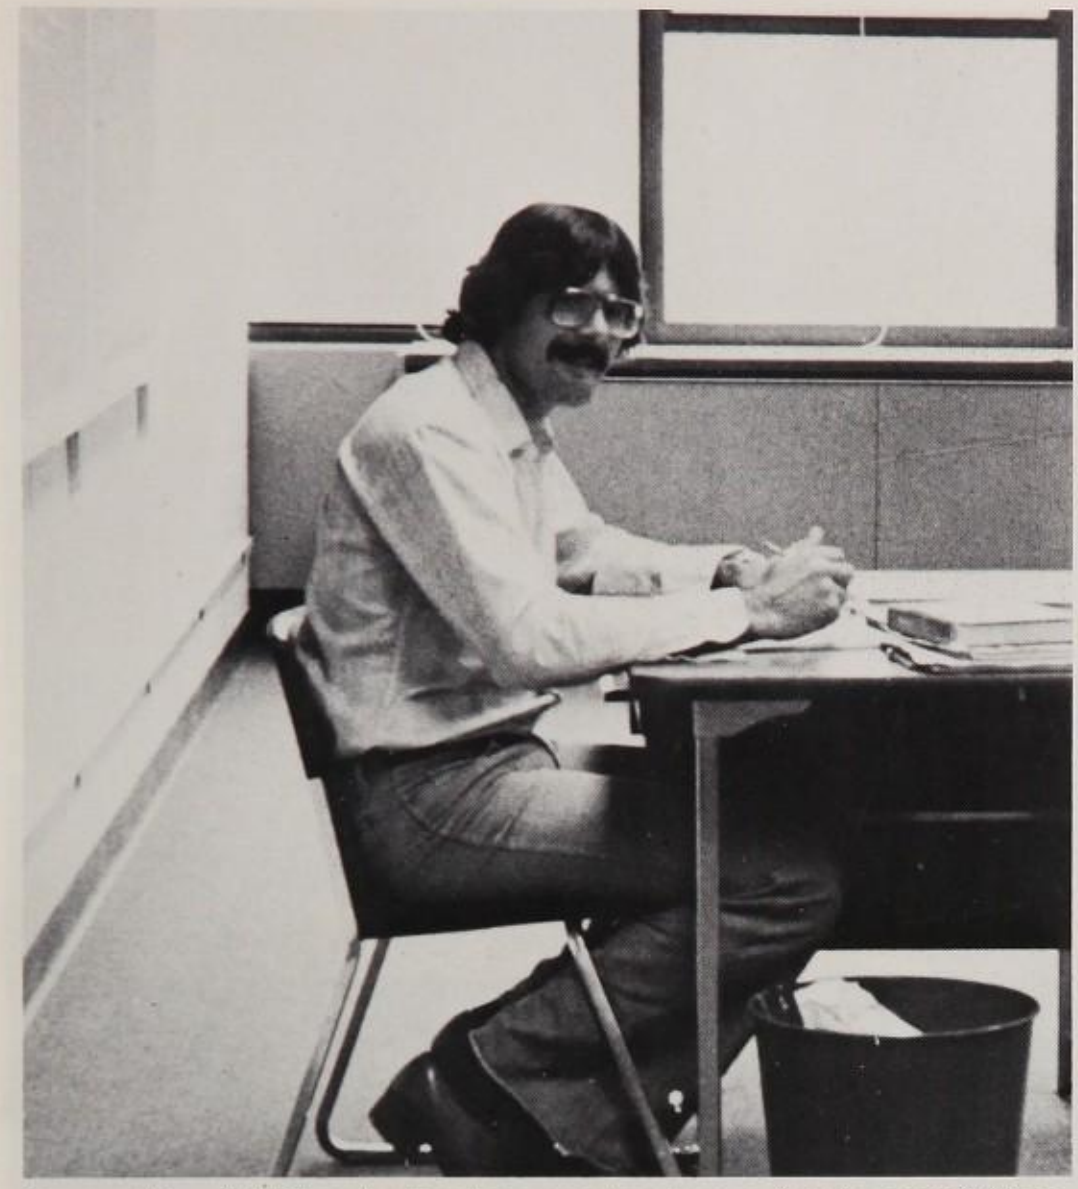
As a teacher who has been at H. S. West since its inception, I find it rewarding to have witnessed the total growth of the students — mentally, physically and socially. — Mr. Corsi



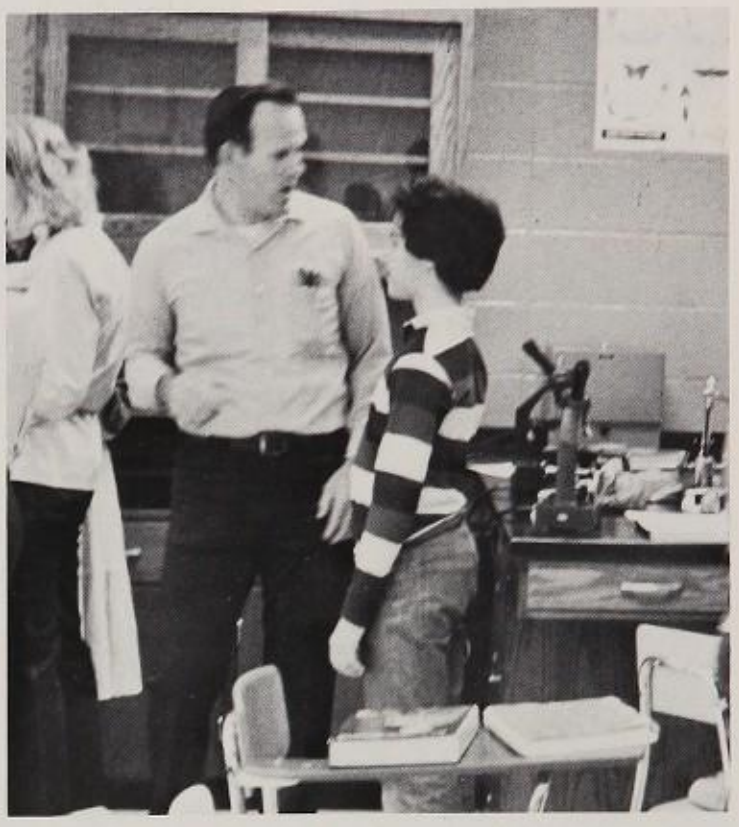
Alicia DeLalio and John Benstock transcribe their math homework onto the blackboard.

Half Hollow Hills *now* has two high schools! I am proud to have been associated with those of you who chose to be West's first graduating class. — Mr. Weinstein

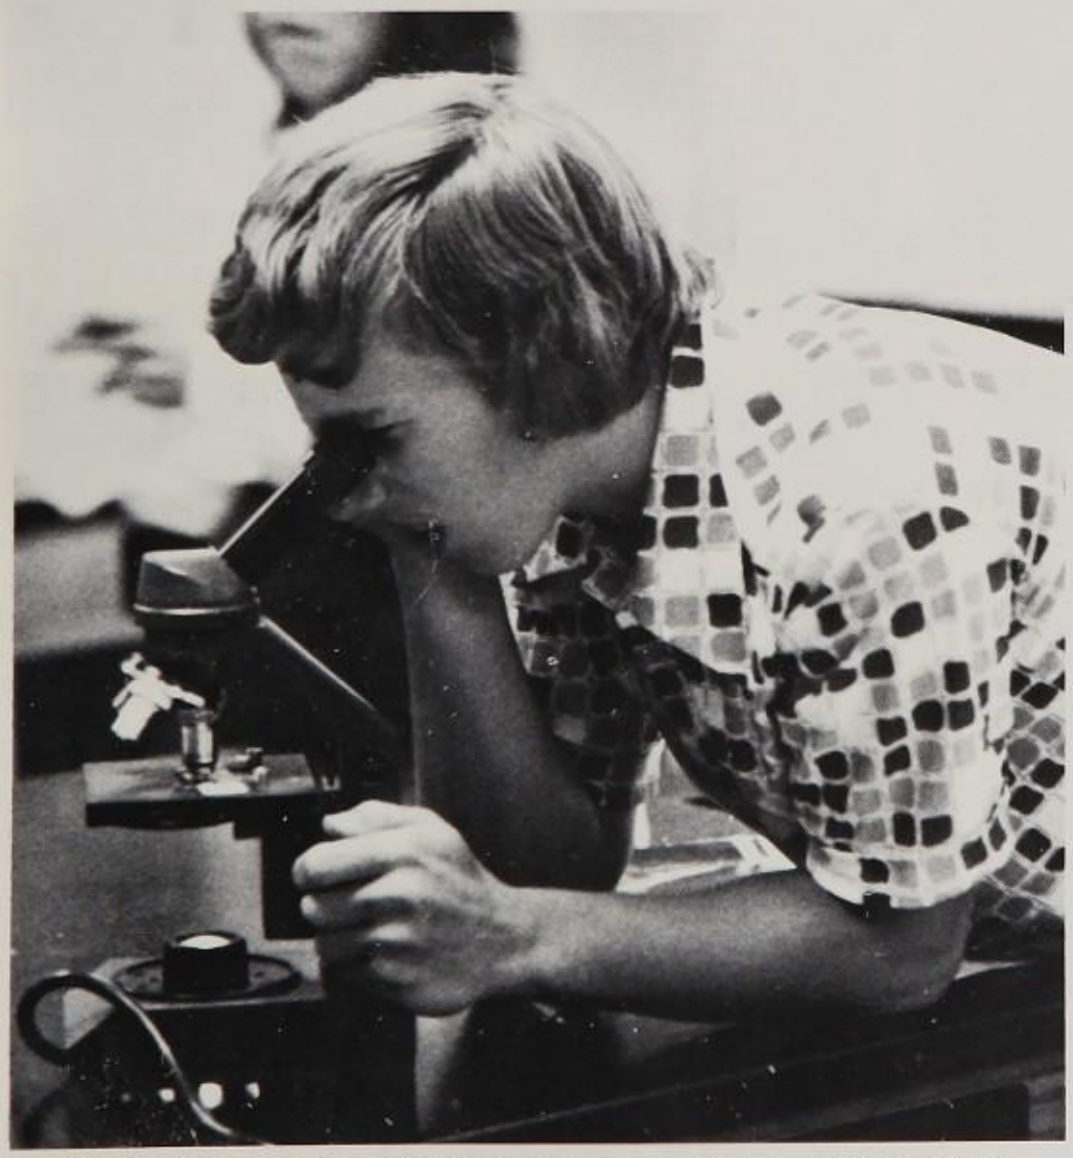
A pioneering spirit pervades the unique pride of students and staff of High School West. It is this pride that has been the chief factor in the success of the programs and courses that have a characteristic "West" flavor. — Mrs Mundy



Our growth to a full high school has been an extremely smooth and successful transition. The best feeling is the terrific school spirit and pride which has developed. — Mr. Goonan



Coming back from an absence of one year at H.S. West, what impressed me the most was not only the expected increased maturity level of the students, but also a serious atmosphere that they project towards their academic pursuits. — Mr. Bagnell



Gordon Brook peers anxiously into a microscope, examining a paramecium.

Along with school spirit, a caring friendship has developed among us all. — Mrs. McGinty

As President of the Student Council, I find myself in an ideal position to evaluate West's evolution into a full high school. As my class, the class of 1979, has grown and matured, we, too, have begun to feel a certain sense of pride for our school. As West expands, a general feeling of spirit and unity is becoming an integral part of West's atmosphere. We are no longer dependent on our "distinguished" neighbor to the east. West is now independent, unified and proud. We have established a reputation of our own that I sincerely hope will be maintained by future classes.

1979 is the end and yet it is the beginning. It is the end of three years of senior high school for the Class of 1979.

It is the realization of a goal initiated three years ago for the establishment of a full high school program at West High School. Those of us who have been directly involved, students, parents, faculty and administration, have had the unique experience of seeing and helping a new high school come into being. It has been an exciting and challenging experience for all of us who have taken part.

It is also the beginning of a fine tradition that the Class of 1979 has had a major part in establishing. The traditions of West High School will continue to grow through the contributions that will be made by the Classes of 1980 and 1981 as well as classes that will follow.

In the future, I am sure we all will be able to look back with a sense of pride in knowing that we had a part in the development of West High School.

SPORTS

A strong soccer team, a championship cross-country team, our own football, basketball and wrestling teams, in addition to field hockey, tennis and volleyball teams — all these contributed to the development of the High School West image.

Soccer Team's Defense Is Impressive!

This year's Varsity Soccer Team established a winning tradition for future teams to build upon. The final record of 8 wins-5 losses, and 3 ties included a 5 game winning streak and a 7 game unbeaten streak. The team's strong point was its defense, having 7 shutouts, holding its opponents scoreless for 23 consecutive periods, and finishing as the top defensive team in the conference.

The team's co-captains were All-League halfback Mike Gould and All-County fullback Tom Lehmann, the team's leading goal scorer and co-MVP award winner with goalie Bob Piro. The offensive line included All-League forwards Paul McGowan, Charlie Egan, and Steve Barone.

Next year's outlook is promising, as the returnees include All-League fullbacks Al Ruenes and Lou Renner, All-League halfback Chris Cordella and overall scoring leader John Mashikian.

FIELD HOCKEY

This year High School West fielded its first Varsity Field Hockey team under the excellent coaching of Anne Dignam. Despite its six losses, the team had five ties against strong teams as well as two victories. Goal scorers for West were Deidre Boerem, Margo Roeckl and Rachel Scena each with one goal. Senior Debbie Brady had two goals and two assists. Hills also received outstanding goaltending from sophomore Kathy Aurrichio

Cross Country Team Conference Champs!

West High School's Cross Country team won not only the League 5 Championship, but also, the Conference III Championship this year. This is the first varsity level Championship for the squad which was successfully led by Co-captains Mike Brennan and Rich Wessel. Mike and Rich, as well as Ken Wenz, Kenn Ives, and Tom Wood were all League and all Conference all Stars. The team finished in second place in the County Championships and qualified for the state Championships which were held in Poughkeepsie, N.Y. on Saturday, November 11. They finished second there.

TENNIS ANYONE?

TENNIS

For the first time in West's short-lived history a Girls' Varsity Tennis Team was produced in the fall of 1978. Though a young team, the girls made a good showing, finishing with a 3-8 record, establishing West as a major competitor in the near future. Under the coaching of Miss Joan Mundy, eleven girls participated in this League 5 competition. Captains of the team were Karen and Donna Klitzman. West's first Girls' Tennis Team had a good premiere season and is hopeful for the future.

VOLLEYBALL

Varsity Volleyball finished with a 17-3 team record this year. They placed second in League I and qualified for competition in Suffolk County Volleyball Championships.
They had many outstanding players who were named to the League I All Stars. These people were Carol Anania, Shawn Lamberson, Maria Scena and Cathy Haney.

Football Team Has a Valiant Start!

The Half Hollow Hills West Colts ended their first year as a varsity team with an impressive 14-6 decision against Amityville. The Colts' 1-8 record was not symbolic of their aggressive and exciting play. One of the biggest assets for the team is their positive attitude toward working hard and learning how to win. Two of the more impressive players who will return next year are Andrew Cosby, who led the team with tackles and Glenn Mohrman who received All-League honors. A big asset for the Colts was their Seniors who set a fine example of leadership which helped the young team tremendously. A big plus which should help the Colts next year is the abundance of Sophomores who have a good attitude and most important the will to learn.

Basketball Team Has Brave Beginning!

Dedication and enthusiasm, best describe the coaches and players of Half Hollow Hills West Varsity and Junior Varsity basketball teams. This was our first season as a varsity team.

The Colts' season began in December with pre-league games, with the Colts participating in the Cold Spring Harbor Christmas tournament. The Varsity Colts placed second, and Junior Varsity first in their respective divisions. Lou Renner of the varsity team was named one of the most valuable players by tournament officials for these games.

Coach Warren Isaac video tapes each of the games his team plays. This technique has proven to be excellent since each player has the opportunity to see himself and learn from his own mistakes. Student support for this team has been very enthusiastic.

The Girls' Varsity Basketball team improved as the season progressed. The final team record reflected 6 wins and 11 losses with 3 wins out of the final 5 games. Senior Captain, Carol Anania, and junior co-captain, Donna Meier, were both selected as Suffolk County League II all-stars.

Boys' Winter Track

Winter track is a demanding sport. It takes an enormous amount of team pride and dedication to withstand the freezing temperatures and brutal winds. Led by M.V.P. and State Qualifier, Mike Brennan, the team persevered.

The Hills West team accepted this challenge and in their inaugural year had a winning season.

Girls' Winter Track

The 1978-79 season Half Hollow Hills was the inaugural year for girls' winter track at H.S. West. Approximately twenty-five girls from both high schools participated and became one of only eight girls' winter track teams in Suffolk county. Although girls track in Suffolk county and in New York state is still in its infant stages of development, it is growing at a fast rate. With the continued support of everyone involved, Half Hollow Hills has an opportunity to make its mark in this fine sport.

Wrestling Team Has a Winning Season!

The wrestling team produced a winning dual meet record for both the Varsity and Junior Varsity. The Varsity's record was 8 and 7, while the JV's record was 8 wins, 6 losses and 1 tie. During the season the team wrestled, either in dual meets or tournaments, most of the top teams in the county. Hills made a respectable showing against all its competition. The future of the team seems secure, because of the team's overall age and experience. This year we had only four seniors wrestle on the Varsity team. The team will continue to improve as this year's under classmen gain experience and mature both physically and mentally.

Rifle Team

The Rifle Team had a great season this year, and much of the credit has to go to the members from High School West who helped its great success.

Baseball

Although the Half Hollow Hills Red Baseball Team posted only a 4-10 record last year, it was not due to a lack of hustle. Under Coach Oldenberg and Co-Captains Rick Wurm and Fred Cerrone, the team showed a spirit and determination which kept it in every ballgame. Its victories were over LaSalle, Islip, Wyandanch and Hempstead. Especially strong was the pitching staff led by Cliff Gould and Mark Lazzaro. Both posted ERA's of under 3.00. The Hills attack was led by Steve Barone and his .400 batting average. Steve Joseph earned Team M.V.P. honors for his all around play. The team has a strong nucleus returning and hopes to improve on last year's performances.

Lacrosse

Lacrosse has always been a strong sport at Half Hollow Hills, and with this in mind Coach Kowalski has worked to get the varsity Lacrosse team off to a promising start. Because the game is constantly in motion, it has been called "the fastest game on two feet." Playing Lacrosse demands talent and finesse, practice and dedication, but most of all, time and hard work.

Mr. Kowalski, the coach, helps the team set up the net before a game.

Dan Zunitch pauses for a brief smile before a game. Since when are girls allowed to play?

Tennis

The High School West Tennis "Red" Varsity Team had a highly successful season with an overall record of 19 wins and 2 losses including 5 scrimmages with Junior Varsity Teams. The team defeated such strong teams as West Islip, a League 2 winner and such League 1 teams as North Babylon, Brentwood, and Lindenhurst. Paul Kalish won the award as the tennis team's Most Valuable Player.

Spring Track

Spring is a season that puts the track athlete to his ultimate test. The competition reaches its peak as the months grow warmer. It is during this season when records are set and personal "bests" improved. There are 18 separate events to compete in, and this unique aspect allows young men of varied talents to find a "niche" on the team.

SOFTBALL

The Varsity Girls' Softball team of High School East and West coached by Ms. Vayianos placed 2nd in the League. Their success was due to a strong offense and defense and a great deal of team spirit. Co-Captain was Mary Beth O'Brien, and Captain was Terri Breen. M.V.P. was Terri Breen.

ACTIVITIES

The chorus trip to Washington, D.C.; the Columbus Day Parade in New York City with our Kickline, cheerleaders, flag team, and marching band; Theatre West Productions — such events highlight the lives of High School West students.

Wranglerettes

The Half Hollow Hills High School West Kickline has found a name, the West Wranglerettes. This is the first year the team consists of girls from all three grades. They perform for the school at home Football and Basketball games. The Wranglerettes have been invited with the West Band to perform in Newsday's prestigious "Battle of the Bands" at Hofstra University and the Columbus Day Parade in New York City. They have done benefit Christmas performances for Boces and Nursing Homes. Their routines were choreographed to music of the 50's and to today's disco. They involve high kicking and modern jazz steps to make various formations. The Kickline season doesn't end in the fall. In the spring, they enter Long Island and State-wide Kickline competitions. This year the Wranglerettes have promoted school spirit and have proven Hills West is one of the best High Schools in New York State.

Many hours of practice are needed before a successful performance results.

The Columbus Day Parade in New York City was a very memorable event.

Tired, but happy, our girls smile for photographers before the trip back to Long Island.

Beth Binns and Adviser Mrs. Carriero congratulate the girls on a fine performance.

Many half-times were enlivened by our Wranglerettes.

Cheerleaders

The 1978-79 Varsity Cheerleading Squad did an exceptional job in promoting school spirit. The tireless efforts and undying enthusiasm of these fourteen girls meant much to our football, soccer, and basketball teams. They have helped create and provide welcome recognition, as well as community support, for our teams, and with the help and guidance of their adviser, have learned much and contributed much to the growth of our school.

Back Row, L to R: Lorraine Rosen, Jackie Aurrichio, Debbie Bove, Diane Sullivan, Fran Ruriani. Middle Row, L to R: Dorothy Gray, Pam Coar, Joanne LaCarrubba, Pam Stokes, Laura Harstedt, Anita Cusumano, Adviser Miss B. A. DiFiore. "We want a victory and what we want we get!" shout the cheerleaders.

Flag Team

The Swing Flag Team, which is directed by Mrs. Monica Nathan, performs at the Columbus Day Parade, Football games, the St. Patrick's Day Parade and Memorial Day Parade.

The team has sixteen members plus three girls who carry the school banner and the American flag.

This year the team will entertain the children from the James E. Allen Learning Center at their annual holiday show. The team is unique because it uses smaller flags which are twirled to music.

Tammy shows some of the excitement while the Flag team visits the city.

Martha's teammates follow her in a new routine.

Marching Band

The debut of West's Marching Band was in the Columbus Day Parade in New York City. Because it was telecast and then video taped by the school, every member could enjoy the excitement of that day. The Marching Band presented shows at all the half-times of the home football games and provided fun-filled entertainment under the field direction of Lori Anne Delulio. Mr. Iacona, Director of the Marching Band, praised and encouraged each member throughout this successful first year.

Our proud Marching Band spiritedly steps across the field.

Theatre West seems to pick up momentum with each production it presents. Since its first production three years ago, the drama group has grown and developed in a great way. This year's fall play, the comedy ARSENIC AND OLD LACE, further enhanced the group's reputation as a professional and talented troupe of young actors. From the very first scene to the last curtain call, *Arsenic and Old Lace* was an absolute delight to experience. But then after all, Theatre West has a history of providing delightful experiences. *Arsenic and Old Lace* has added to this already rich history.

1: With Mortimer tied up, Officer O'Hara finally gets a chance to describe his future as a playwright. 2: "But a little bit of elderberry wine never hurt anyone," explains Aunt Abby. "It just kills them." 3: "Bully!! A safari in Africa is an excellent idea," asserts Teddy. But little does he know that this safari is in the Happydale Sanitarium. 4: During a brief lull in a busy rehearsal, Assistant Director Kathy Danielik, John Costanzo, and Larry Rochman await instructions from Director Stepper. 5: Mortimer and Elaine enjoy a rare private moment together. 6: The evil Jonathan returns after many years to terrorize the Brewster household.

This year, as a prelude to Competition Night 1979, High School West initiated what is hoped will become an annual event. On January 25, 1979, West's three classes competed in the first VARIETY SHOW COMPETITION, replacing the One-Act Play Competition previously held before Comp. Nite. Each class presented five acts, which were judged on originality, entertainment value, and other qualities. The winning class, the Junior Class of 1980, was awarded points toward March's Comp. Nite. The evening was an unqualified success, and plans are being made to continue what will hopefully become a tradition at High School West.

Members of the group include Scott Cooper, Lori Anne Delulio, Donna Garcia, Amy Klaase, Risa Glaser, Laura Joseph, Patrick Kirkwood, Nancy Merrigan, Eve Mollenauer, Lisa Pasca, Andrea Roberts, Clare Schroeder, Liz Sonen, Anthony Walker, James Walker, and Donna Wemick.

Chorus

Since its creation, High School West's Chorus has been a very active organization. Besides performing at the traditional school concerts, the group under the direction of Mr. William Robinson, has entertained at local nursing homes, and at the Burrwood Home for the Blind. Last year, West's Chorus was invited to and performed at U.S. Department of Agriculture's annual Honor Awards ceremony in Washington, D.C. This year, choral members raised money for a planned trip to Boston for three days.

The chorus sings a wide variety of songs, ranging from Latin hymns to spirituals, modern jazz, and pop tunes, all with an excellence rarely found in a high school singing group.

The Open Door Student Exchange Program is a student-to-student exchange with Latin America. Students visit in our country for three months, attending classes and visiting points of cultural interest. American students, during their summer vacation, return these visits and attend classes and live with a family in South America. The program provides a basis for cultural exchange and allows for better understanding of cultural differences and unique customs from each country. The students involved have a "first-hand" experience in the foreign culture and live as close to a "native" life as possible.

Dear Ellex,

I guess I'll make this brief because I know you have a lot of people who will want to sign your book, so I won't take much of your space. I could talk about all the times we got stoned in the field where we wasted crazy things we did like make obscene cookies and the like make obscene [illegible] for being a constant bogart living thru and watching you become an expert roller, smoker, toker drinker and overall sexmaniac (and a scholar who reads books and experiments bio from the manual) I could talk about yours and Frankies progressive and productive romance. I could talk about Shelleys unprogressive [illegible] with Frank, but then again she hasn't had one with anybody. I could discuss grease that slathers like lightning. My weed. Your Weed. Franks Weed. Everybodies weed. Wild. Make Weed. I could discuss school cutting, then coming cutting, then coming cutting. cutting. cumming and so on. I could talk about all the things you told me about sex. like @#$%^&*✓$☺😂! I could talk about watching you become a fine artist. Bret X. Faces cultural arts center. The association, but I guess I already discussed the association when I said WEED. I could talk about a lot of things but id like (as I said) to be brief so I won't.

Dear Ellen,
I only got to know you well this year, but I'm glad I did. You're a super-nice kid and were able to take all kinds of things (like "Hopa-long" and me staring at you.) It was all in fun and done out of love.
I'm glad you and Frankie got together and I hope you're together for a long time.
We had some good times (like at the mall that time) and some bad ones (which I won't go into) but through all you made it with flying colors.
You're a great artist and a sweet kid. Stay that way!

Love,
Maria

P.S. Let me know when you get married to Frank!!!

Sally and Stacey make one last decision before the final deadline.

Carol can't spare a minute from her typing.

Lisa and Donna check to be sure that all the faculty pictures are stamped and numbered.

Erica, Andrea and Norah take a break from the hectic pace and smile for the photographer.

Michelle keeps a careful account of the money received.

Now Adam and Julie can smile because they're finished with the pages and pages of Seniors.

Doug shows Vinny what part of the picture to crop out.

June and the photographer take a break before the next group of underclassmen arrives.

Without the dedication of these people, there would be no yearbook. Seen kneeling are Chuck Cook and Mike Guss; standing are Jeff Sage and John Barbaccia.

Mary Jean's smile explains why she was able to work so well with the staff.

REMEMBER WHEN . . .

. . . Steve Martin's name became a household word.
. . . "Disco" became the latest thing in fashion and music.
. . . President Carter held the Camp David summit meetings.
. . . the retirement age was raised to 70.
. . . the Yankees won the World Series.
. . . the Pittsburgh Steelers won Super Bowl XIII.
. . . Coach Woody Hayes was fired from Ohio State.
. . . Muhammad Ali became the first boxer to regain the heavyweight title for a third time.
. . . walking to school was *no* fun at all.
. . . we cheered when we got our extracurricular activities back.
. . . members of team sports no longer had to pay the way.
. . . our school became a true High School.

REMEMBER . . .

. . . *Jaws 2*, *Animal House*, *Grease*, and *Heaven Can Wait*.
. . . Red China and the U.S.A.
. . . the first test tube baby.
. . . Jonestown.
. . . Mickey Mouse's 50th birthday.
. . . to smile, 'cause it's good for you!

Nothing we say
Will e'er change the way
Our lives will grow apart.

Nothing we'll do
When mem'ries are few
Will bring them back to heart.

We must live for today
As the time slips away
And face the future which cries

That the truth will grow clear
As moments grow dear;
The hurt dissolves with the ties.

Dear Ellen,

Hi, how do you like your new apt. Sorry to hear about your dog. Hope you're feeling better. I'm so glad you're coming to visit us in June. We'll be looking forward to seeing you then. Maybe we can go camping together sometime during the summer. Have a good summer & we'll see you next year. Hopefully next year we'll be saying "bye" instead of "hello" so there's no point in the past & we can look forward to times together in the future.

Love
Shelley

P.S. Just a reminder Frantic Stay Strong.
